Commissioner for Patents

The reply filed on 13 August 2004 is not fully responsive to the prior Office Action because of the following omission(s) or matter(s): The restriction requirement mailed 11 February 2004 stated on page 5 that a reply to the restriction requirement to be complete must include an election of the invention to be examined even though the requirement be traversed. Applicants' response traversed the restriction requirement and requested rejoinder of all the groups or rejoinder of groups I, II, III, IV, V, VI and VIII and a 2 way restriction. However, the response did not elect a specific invention to be examined (i.e. one of groups I-VIII). Therefore, the response is not fully responsive and requires an election of one of the Groups I-VIII as the elected invention to be examined. See 37 CFR 1.111. Since the above-mentioned reply appears to be *bona fide*, applicant is given **ONE (1) MONTH or THIRTY (30) DAYS** from the mailing date of this notice, whichever is longer, within which to supply the omission or correction in order to avoid abandonment. EXTENSIONS OF THIS TIME PERIOD MAY BE GRANTED UNDER 37 CFR 1.136(a).
